GOOD MORNING JESUS

Peggy Windrum

Good morning Jesus,
how are you today?
Take my hand, walk with me,
Guide me through this day.
Good morning Jesus,
glad you're by my side.
Together we will show to all
In God you can abide.

We will do God's will, yeah
Each and every day.
In all that we do,
God's love's shining through.

We will do God's will, yeah
Each and every day.
In all that we do,
God's love's shining through.

Let's GO!

GOD'S TREE

Danielle Marr

I am a branch and God is my tree.
Planted his roots so deeply for me.
The life of Jesus flows through this
tree.
Together we will bloom.

A branch might not live without a tree.
Without a branch a tree looks empty.
I chose God to be my tree.
And my heart's full, and my heart's full
And my heart's full of love.

We are the branches of Gods' tree.
Safe and secure we're planted in thee.
We chose God to be our tree.
And my heart's filled, and my heart's
filled
And our heart's full of love.

LISTEN TO MY HEART

Danielle Marr

If listen to my heart God tells me
What I need to know.
He is always with me
Everywhere I go.

God speaks to my heart and
God will speak to your heart, yes
God speaks to my heart, and
God will speak to your heart

When I listen I thank God for Jesus
Took our sins away.
Holy Spirit he gave us
So we could live his way.

God speaks to my heart and
God will speak to your heart, yes
God speaks to my heart, and
God will speak to your heart
God speaks to my heart and
God will speak to your heart, yes
God speaks to my heart,
I learned to listen to my heart

WRAP ME IN YOUR LOVE

Peggy Windrum

The day has ended,
now it's time to rest.
Things you have taught me,
I've tried to do my best.

Bless all your children
Keep watching from above.
Teach me and guide me
And wrap me in your love.

I'll close my eyes now
Thank you for this day.
Kisses and bear hugs
For all I wish and pray.

Bless all your children
Keep watching from above.
Teach me and Guide me
And wrap me in your love.
